Requirements for the Bachelor of Education (Honours) Specialisation: Secondary Health and Physical Education

Total credit points – 204 points

Overload – Students are required to overload by 6 points in year 2 and 6 points in year 3 to complete the course in 4 years.

Themes

Education studies – six units/36 points

Curriculum studies – nine units/54 points

Students take a pair of method units in the [subject area](#) in which they are specialising.

Method units A and B are run at the Clayton campus.

Discipline studies – fifteen to seventeen units/90 to 102 points

Students take:

1. a nine-unit sequence in the health and physical education discipline; and
2. a four or six-unit sequence in the discipline of their choice from the following areas:
 - [Biology](#) – four units in biology comprising two units at level 1 and two units at level 2
 - [Business](#) – four units in business studies comprising two units at level 1 and two units at level 2
 - [Chemistry](#) – four units in chemistry or biochemistry comprising two units at level 1 and two units at level 2
 - [English](#) – four units in literature studies comprising two units at level 1 and two units at level 2 or four units in English language studies and two units in literature studies
 - [Geography](#) – four units in geography studies comprising two units at level 1 and two units at level 2
 - [Mathematics](#) – four units in mathematics comprising two units at level 1 and two units at level 2
 - [Social Education](#) – six units comprising:
 - four units in one of the following areas of study: Anthropology, Cultural Studies, Economics, Environmental Studies, Geography, History, Indigenous Studies, Legal Studies, Philosophy, Politics, Sociology
 - two units in a second of these areas of study
 - [Outdoor education and environmental studies](#) – six units/36 points
 - [EDF1174](#) Foundations of outdoor education and environmental studies
 - [EDF1175](#) Ways of knowing outdoor environments
 - [EDF2174](#) Outdoor education, learners and contexts
 - [EDF2175](#) Human interactions and relationships in outdoor education
 - [EDF3174](#) Experiencing outdoor environments
 - [EDF3175](#) Outdoor environments, education and sustainability

* Depending on the discipline area chosen, students may need to complete their discipline units at another Monash campus.

plus four fieldwork experience units/0 points

- [EDF1103](#) Fieldwork experience in outdoor education and environmental studies 1A – 5 days (0 pts)
- [EDF1104](#) Fieldwork experience in outdoor education and environmental studies 1B – 5 days (0 pts)
- [EDF2103](#) Fieldwork experience in outdoor education and environmental studies 2 – 5 days (0 pts)
- [EDF3103](#) Fieldwork experience in outdoor education and environmental studies 3 – 10 days (0 pts)

Professional studies – two units/12 points and eight professional experience units/80 days of satisfactory teaching practice.

Students must complete a compulsory orientation before undertaking any professional experience.

Other

Education electives – if required, two units/12 points

If students take a four-unit discipline sequence, they will take two [electives](#) from level 1, 2 or 3 units in the Faculty of Education.

First-year requirement: National Literacy and Numeracy Test for Initial Teacher Education Students (see [Handbook](#) for details)

Notes

- Depending on the discipline sequence chosen, students may be required to attend classes at other campuses.
- This course qualifies students as specialist secondary teachers in three disciplines:
 - The health and physical education discipline sequence qualifies students as specialist secondary teachers in *Health and Human Development* and *Health and Physical Education*.
 - The discipline sequence chosen by students qualifies them as specialist secondary teachers in that particular method.
