## [Collaborative decision making](#)

Presented by [Tina Nabatchi](#)

### ***Calling practitioners interested in collaborative decision making, dispute system design and dispute resolution...***

ACJI in partnership with the Australia and NZ School of Government (ANZSOG) cordially invite you to an engaging discussion with Professor Tina Nabatchi, from the Maxwell School of Citizenship and Public Affairs at Syracuse University.

Tina will help us draw lessons for our own workplaces from her long standing empirical research in this area, with particular attention to the United States Postal Service REDRESS program and the US Government's use of ADR to resolve EEO complaints.
