

Course progression map for 2020 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook. The placement of units may be rearranged to provide flexibility in choice of electives, but care should be taken to ensure sequenced units are maintained in sequence.

B2017 Bachelor of Business and Bachelor of Information Technology

Major: Accounting / First semester intake (February)

	Bachelor of Business		Bachelor of Information Technology	
Year 1 Semester 1	ACF1100 Introduction to financial accounting	ECF1100 Microeconomics	Introductory programming unit	IT major unit
Year 1 Semester 2	MKF1120 Marketing theory and practice	ETF1100 Business statistics	FIT1047 Introduction to computer systems, networks and security	IT major unit
Year 2 Semester 1	MGF1010 Introduction to management	BTF1010 Business law	FIT1049 IT professional practice	IT major unit
Year 2 Semester 2	ACF2200 Introduction to management accounting PREQ: ACF1100	BFF1001 Foundations of finance	FIT2094 Databases*	IT major unit
Year 3 Semester 1	ACF2100 Financial accounting PREQ: ACF1100	ACF2400 Accounting information systems PREQ: ACF1100	FIT2001 Systems development or FIT2099 Object-orientated design and implementation	IT major unit
Year 3 Semester 2	ACF3100 Advanced financial accounting PREQ: ACF2100	ACF3200 Management accounting PREQ: ACF2200	FIT2002 IT project management	IT major unit
Year 4 Semester 1	Business elective unit (in place of ACF1100 in Part B, section a.)	Accounting major unit	Capstone project unit	IT major unit
Year 4 Semester 2	Business elective unit (in place of ACF3100/ACF3200 in Part A, section b.)	Accounting major unit	Capstone project unit	IT major unit or Industry-based learning unit

Please note that care is taken to ensure the unit offering information is correct at the time of publication, however changes may occur. You are advised to refer to the Handbook entry for each unit prior to the start of each semester.

Year 5 Semester 1	Business statistics major unit	Capstone experience unit	Capstone project unit	IT major unit or Industry-based learning unit

Please note that care is taken to ensure the unit offering information is correct at the time of publication, however changes may occur. You are advised to refer to the Handbook entry for each unit prior to the start of each semester.

Course progression map for 2020 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook. The placement of units may be rearranged to provide flexibility in choice of electives, but care should be taken to ensure sequenced units are maintained in sequence.
