Course progression map for 2020 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course ‘Requirements’ section of the Handbook.

M6007 Master of Health Administration

Units are taught online in 6 weeks blocks with 6 weeks break between each unit. Units can be taken in any order. This course is available part time only and normally takes 2 years to complete.

Students complete:

Units offered in 2020:

- MKF5505 Marketing for healthcare managers
- MPH5301 Health systems and policy
- MPH5302 Biostatistics: Concepts and applications
- MPH5308 Developing health systems
- MPH5312 Advances in managing patient care processes (TBC)
- MPH5315 Introduction to management

Units offered in 2021:

- ACF5268 Accounting for healthcare managers
- HEC5979 Health economics
- MPH5304 Leading and managing in public health and health care
