

Course progression map for 2023 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

F2001 Bachelor of Architectural Design

YEAR 1 Semester 1	ARC1001 Foundation studio 1 (12 points) & OHS1000 Introduction to art and design health and safety (0 points)	ARC1301 Architecture communications 1 (6 points)	AHT1101 Introduction to the history and theory of art, design and architecture (6 points)

A.	Architecture design studios
B.	Architectural performance studies
C.	History and theory studies
D.	Communication studies
E.	Occupational health and safety
F.	Free elective study

Electives: You are encouraged to deepen your knowledge by taking electives from within Architecture and the faculty, and also to take an internship for an opportunity to apply coursework to real world situations and develop workplace skills. You can enrich your degree by using some of your free electives to take a study tour, field trip or exchange opportunity.
