

Course progression map for 2023 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

M6042 Master of Applied Mental Health

Students are advised to:

- First undertake the four units from Part A. Applied Mental Health Foundation studies in any order.
