

## Course progression map for 2024 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

### **F6005** Master of Industrial Design

*This international double masters program enables you to complete the requirements of the Monash Master of Industrial Design as well as the second degree with Southeast University (SEU) located in Suzhou, Jiangsu Province, China.*

*This course is only available as a component of the international double degree offered with Southeast University, China (SEU).*
