

Course progression map for 2024 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

	Foundation Studies (54 credit points)
	Public Health Studies (90 credit points)

*** NOTE:**

- PBH2004 was discontinued from 2025 and is no longer offered.
- PBH3006 and PBH3007 were discontinued from 2025 and are no longer offered. These units have been replaced by PBH3014.
- PBH3013 is offered as a summer elective. Students are advised to complete this unit in the summer semester between Years 2 and 3. Enrolling in this unit after Year 3 may result in a delay to graduation.
