Part A	Foundations for social work
Part B	Specialist social work practice

IMPORTANT: The Master of Social Work offers units where the teaching dates vary from the standard teaching dates. Different unit discontinuation and penalty dates apply. Please refer to the [non-standard teaching period dates page](#) for further information prior to enrolling in units.

***NOTE:** You must complete either the coursework option OR the research option.

Coursework option:

You must complete SWM5131 and one elective unit (total 6cp) from the following list.

- SWM5122 The child in society: Promoting children's well-being and responding to abuse and neglect
- SWM5125 Social work practice in a hospital context
- SWM5127 Family violence and social work practice
- SWM5132 AOD (drug and alcohol) and social work

OR

Research option:

You must complete SWM5170 Advanced research and policy practice capstone project (12cp). SWM5170 is a full year unit commencing year 2, semester 2. This unit is by invitation only, after acceptance of an expression of interest.
