

Course progression map for 2025 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

M4022 Graduate Certificate of Aeromedical Retrieval

Semester one intake. Part-time only (Full-time study is not available for this course)

Year 1 Semester 1	PAR5200 Introduction to aeromedical and retrieval concepts (6 credit points)	PAR5250 Aeromedical and retrieval: Clinical (6 credit points)
