\*Pls refer to the Handbook for information regarding the units required for Professional Accounting Accreditation

\*\* If you wish to become an accredited accountant you should do ECX2953 Economics instead of ECC1000 Principles of microeconomics. If you are seeking membership of ACCA, CA ANZ or CPA you will not be able to complete all the units required to enter their professional programs. However, the units you are unable to complete can be completed after graduation or via professional body courses.

\*\*\*International or internship experience can be undertaken at the end of 2nd year
