

Course progression map for 2026 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

P9001 Professional Certificate of Advanced Pharmacy Practice

This progression map provides an example of the sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook. Please note that unit offerings are subject to change from year to year.

One year part-time study

Year 1 Semester 1	Part A unit (6 points)
Year 1 Semester 2	Part B unit (6 points)*

*Approved microcredentials/assessed short courses can be completed during or prior to your enrolment in the course and will be subject to availability of the microcredential and its duration.

Part A: Core studies
Part B: Specified elective studies
