

Suggested Course Map – C6007 Master of Artificial Intelligence¹ - 2027

Course Architecture Key:

Part 1: Foundation studies	Part 2: Core studies	Part 3: Applied studies
----------------------------	----------------------	-------------------------

Industry Experience option

Year	Sem	Units			
1	1	FIT9132 Introduction to databases	FIT9136 Introduction to Python programming	FIT9137 Introduction to computer architecture and networks	MAT9004 Mathematical foundations for data science
	2	FIT5047 Fundamentals of artificial intelligence	FIT5201 Machine learning	FIT5226 Multi agent systems and collective behaviour	FIT5125 IT research and innovation methods
2	1	FIT5057 Project management	FIT5222 Planning and automated reasoning	AI elective unit*	Level 5 elective^
	2	FIT5120^ Industry experience studio project (12 points)		FIT5122 Professional practice	FIT5215 Deep learning

^Students who are approved to do FIT5241 Work integrated learning industry placement option will replace FIT5120 and the Level 5 elective.

Minor Thesis option

Year	Sem	Units			
1	1	FIT9132 Introduction to databases	FIT9136 Introduction to Python programming	FIT9137 Introduction to computer architecture and networks	MAT9004 Mathematical foundations for data science
	2	FIT5047 Fundamentals of artificial intelligence	FIT5201 Machine learning	FIT5226 Multi agent systems and collective behaviour	FIT5125 IT research and innovation methods
2	1	FIT5126 Minor thesis part 1	FIT5057 Project management	FIT5222 Planning and automated reasoning	AI elective unit*
	2	FIT5127 Minor thesis part 2	FIT5128 Minor thesis final	FIT5122 Professional practice	FIT5215 Deep learning

*Artificial intelligence elective units

FIT5216 Modelling discrete optimisation problems
 FIT5217 Natural language processing
 FIT5221 Intelligent image and video analysis
 FIT5230 Malicious AI

¹ **Note on Progression:** semester structures shown are, for the most part, recommended suggestions rather than mandatory. However, prerequisite structures apply and the Industry experience studio project **must** be taken in the final semester of study.
