

# Course progression map for 2027 (Semester 2) commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

## **F2016** Bachelor of Architectural Studies and Bachelor of Business

|                             |                                                                                                                                                            |                                          |                                                        |                                                                                                       |

|                       |          |                                                  |
|-----------------------|----------|--------------------------------------------------|
| Architectural Studies | Business | Units are worth 6 credit points unless specified |
|-----------------------|----------|--------------------------------------------------|

\* If you intend to complete a major in Accounting: Please refer to the Handbook for information regarding the units required for Professional Accounting Accreditation. ECX2953 is required for professional accreditation for students undertaking an Accounting major. Students completing any other major must take ECF1100.

\*\* Please refer to the Handbook for capstone information. International or internship experience can be undertaken at the end of 2nd year.
