

Course progression map for 2027 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

Notes 1: Entry Level 2

If you are admitted at entry level 2 you complete 72 credit points, comprising Part B, Part C, and Part D.

Notes 2: Participation in Global Intercampus program

If participating in the Global Intercampus program, you will replace UDI5505 and UDI5506 with UPD5001 Planning Project 3: The Accessible City (12cp) and UPD5301 Planning Study 3: Economics and the City respectively at the Monash Australia campus. You must complete 6 credit points from any units offered at Monash University Australia during your exchange study period, provided you meet the prerequisites for those units. Please consult with the Monash University, Indonesia Team.

A.	Foundation
B.	Exploration
C.	Integration
D.	Research

Units are worth 6 credit points unless specified
