Part A	Core studies
Part B	Specified elective studies

*PBH3013 is a summer unit. Students who choose PBH3013 are advised to complete it in Summer between years 2 and 3. Enrolment in the summer semester after year 3 may mean that course completion is delayed. Delayed course completion will likely impact graduation and admission to further study.

**If you are completing MON2100, you must take this unit during Summer Semester at the end of your first year. Visit the [Global Immersion Guarantee website](#) for more information.

NOTE: Successful completion of one of the Monash Study Abroad short-term programs noted below can be credited towards your specified electives at Level 3. Other Monash Study Abroad short-term programs may also be considered. Approval to participate is at the discretion of the Course Director. It is recommended that the approved program is completed before your final semester. Enrolment after your final semester may mean that course completion is delayed. Delayed course completion will likely impact graduation and admission to further study.
