NOTES:

- You must complete MPH5040 and one elective unit which must be chosen from the list on the following page. Not all elective units are available in each semester. Refer to the [handbook](#) entry for unit availability.
- Not all microcredentials are available in each semester. Click the links above for microcredential teaching dates.

IMPORTANT INFORMATION

- The standard course progression is shown in the tables above, this entails one unit plus one microcredential per semester. Please be aware that your enrolment in the Graduate Certificate is maintained via enrolment in the unit. If you choose to enroll only in a microcredential during a particular semester, you must apply for [course intermission](#) (study leave) to keep your place in the Graduate Certificate.
- It is possible to complete the required microcredentials prior to enrolment in the Graduate Certificate and receive credit on entry. However, completion of the microcredential does not guarantee entry to the Graduate Certificate.
